Please note that many of the languages listed in the QD can be replaced based on the frequency of use throughout the organization. If you need additional languages added to the QD, please reference the online user instructions or let us know.</p> <p><b>Language Codes (LC)</b> The auto attendant requests of callers to enter the first three digits of the language code (LC). By pressing the star symbol on your phone keypad, you will be allowed to enter the first 3 digits of the language selection. To make it easy for our customers, we translated the first three letters of the language into the three digits codes needed.</p> <p><b>Additional Languages (AL)</b> We will include additional languages (AL) to our library as the need arises. Please contact us for languages you may not see listed in our language library.</p>
